

BUFAB

YOUR SMALL PART SUPPLIER

Product Range

Cold forged parts

We can offer everything from DIN, ISO, to advanced cold forged special parts for the automotive industry. We supply parts to demanding customers all over Europe with requirements on quality, delivery precision and logistics. Many years of experience and a large amount of qualified suppliers makes us prepared for all kinds of cold formed parts. Try us!

Machined parts

We can supply machined parts from our own production plant or from suppliers we co-operate with. We are specialists in products with specific requirements as quality, geometry, exotic materials, and our technical know-how together with our wide supplier base makes us a “first Class” supplier. When a part does not fit our own production we co-operate with our existing certificated suppliers to guarantee quality, price and delivery precision.

Sheet metal parts

Bufab supply sheet metal parts together with our customers acc. to their drawings and specifications. With suppliers in both Europe and Asia we can offer the best solutions to our customers. Our two local facilities in China give us the opportunity to guarantee the quality and logistics to our customers.

Plastic/Rubber parts

The growth of Bufab as a total supplier of Small Parts has made plastic and rubber parts a normal segment of our everyday supplies. Many of our main customers have chosen to co-operate with Bufab on alternatives of Small Parts in polymer materials.

Assembled parts

Bufab has a broad knowledge and well functioning routines to offer semi-manufactured and more complicated assembled parts that require welding, punching, casting, assembly etc. A close co-operation with manufacturers in Asia, Europe and our own assembly department gives us the opportunity to offer a complete solution to our customers.

Other

In addition to above Bufab supply a lot of different parts. Due to our wide customer range we learn a lot everyday and try to fulfill our customers needs, even if the part not looks like a fastener. You will find some of them in this catalog.

For example: Wire Parts, Tools, Hot Forged & Casted Parts, Springs & Clips, Mixed Parts
